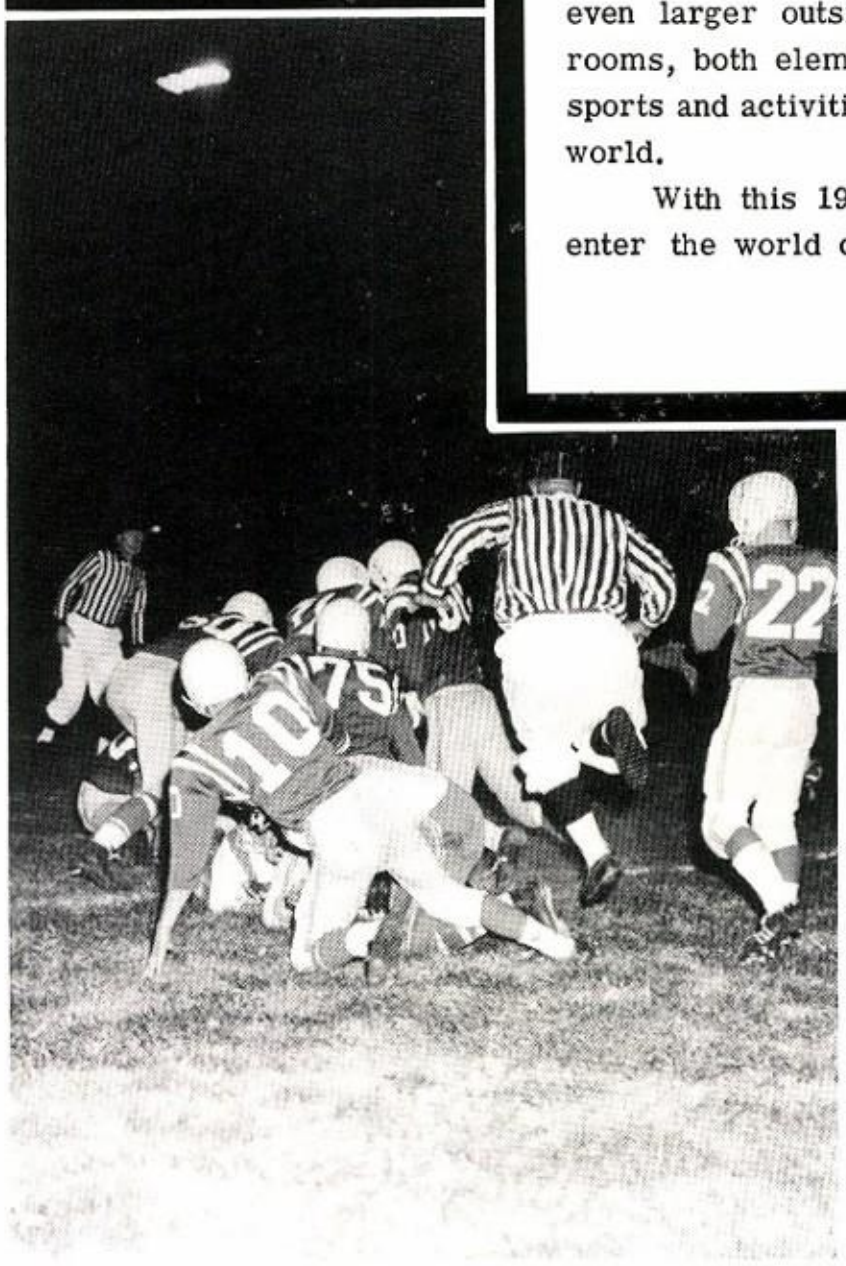
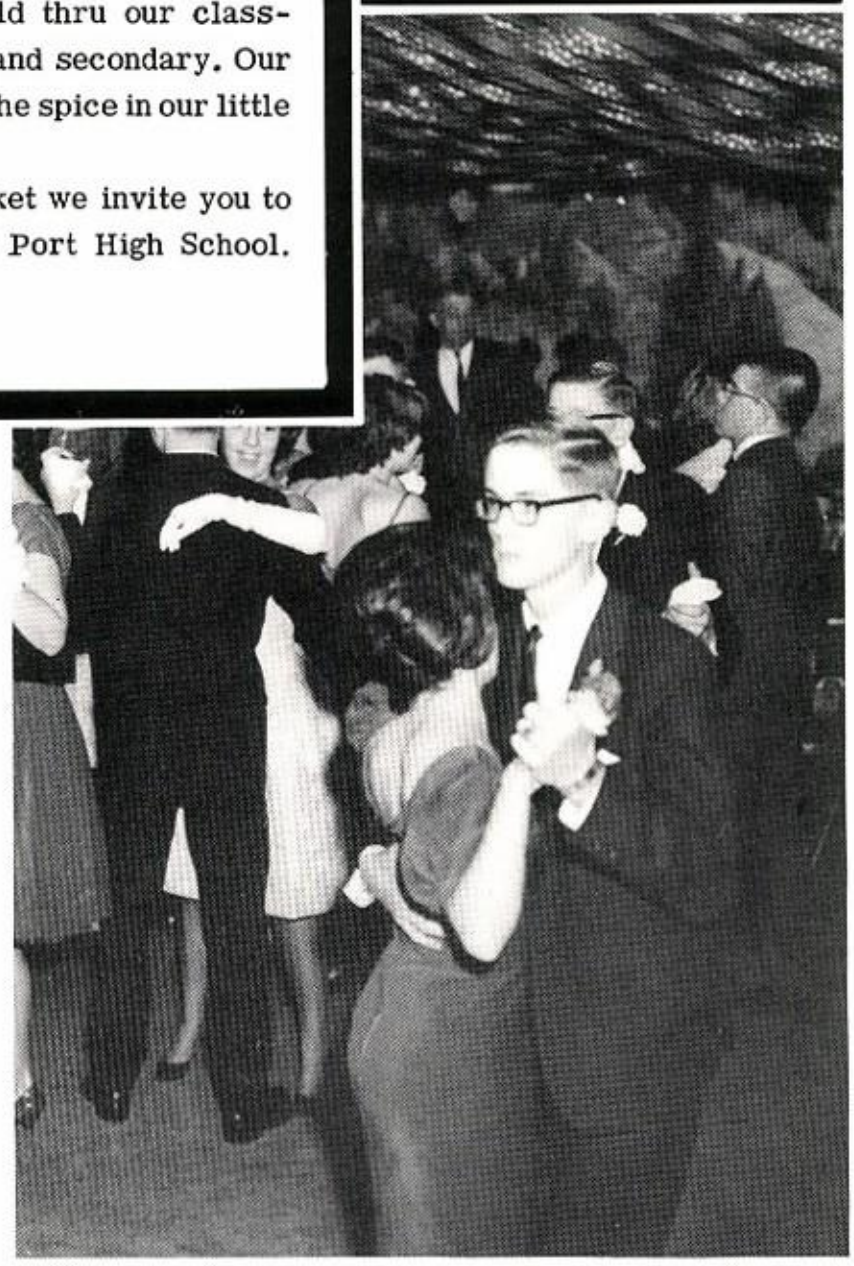
AROUND THE WORLD

Wouldn't it be fun to go around the world? How exciting to see the many wonders and the many different people!

Here at Rock Port High School we have our own little world. We tour this world many times during the school year, and study an even larger outside world thru our classrooms, both elementary and secondary. Our sports and activities are the spice in our little world.

With this 1965 Rocket we invite you to enter the world of Rock Port High School.





DEDICATION

With deepest respect, we, the Rocket Staff, dedicate the 1965 Rocket to Mrs. Lenore Taylor.

In this world of turmoil, peace can be attained only through knowledge and understanding. Toward this end, Mrs. Taylor has helped many students learn about our relationship with other countries. She, herself, has helped to mold the thoughts of students at Rock Port High School concerning the goal for world peace. We thank you, Mrs. Taylor, for your thirteen years of dedicated instruction, and know your teaching will continue to bring out the best in the students of Rock Port High.

BLUEJAY CORNER

George, Jim, Cindy, and Goldie type diligently to finish articles for the Bluejay Corner. Each week the entire Publications Staff was assigned articles to write on school events. These were published in the Bluejay Corner of the Atchison County Mail.

SEATED: Miss McClurg, Advisor; Larry Stepp, photographer; Harold Frede, assistant editor; Peg Herron, editor; Cindy Taylor; Jim Taylor, business manager. STANDING: Carolyn Forbis, Goldie Slemp, Cathy Howell, Randy Hutsell, Jim Frede, Steve VanMeter, George Carpenter, Randy Reid, Peggy Gallup, and Martha Amthor. NOT SHOWN: Robert Noellsch.

ROCKET STAFF

Members of the Rocket Staff ran in circles on those days activity pictures were taken; they feverishly planned the Annual Dance and fervently worked on lay-out mats. They wondered if they would ever finish! They did--and their efforts were rewarded on the day the 1965 Rocket arrived.

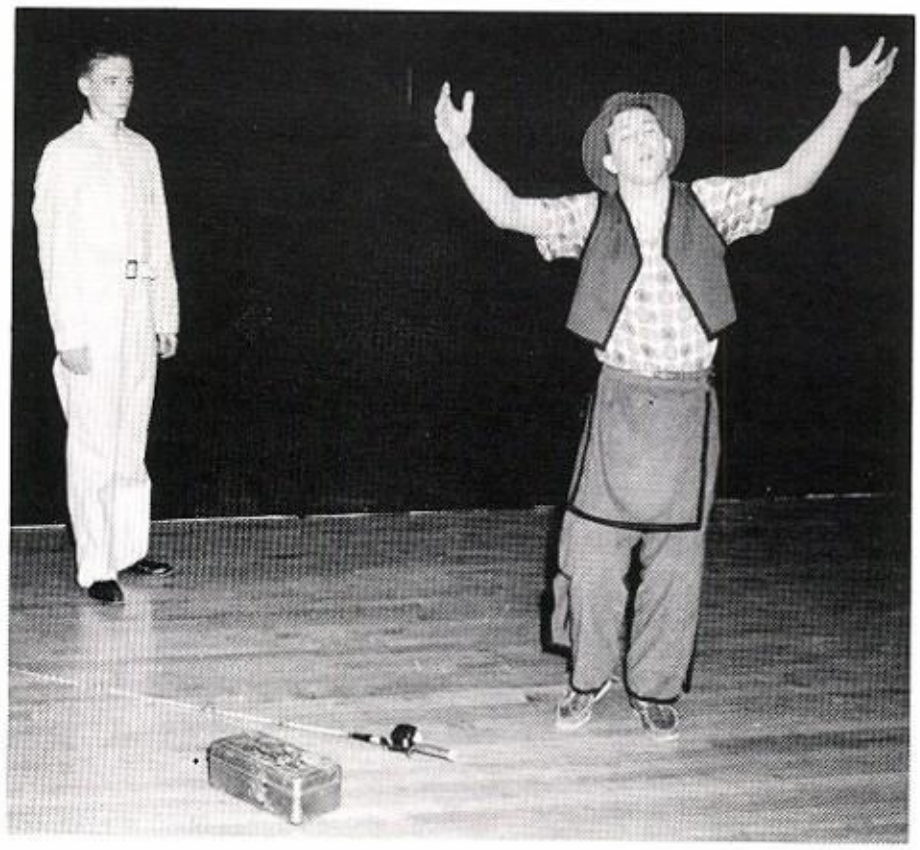
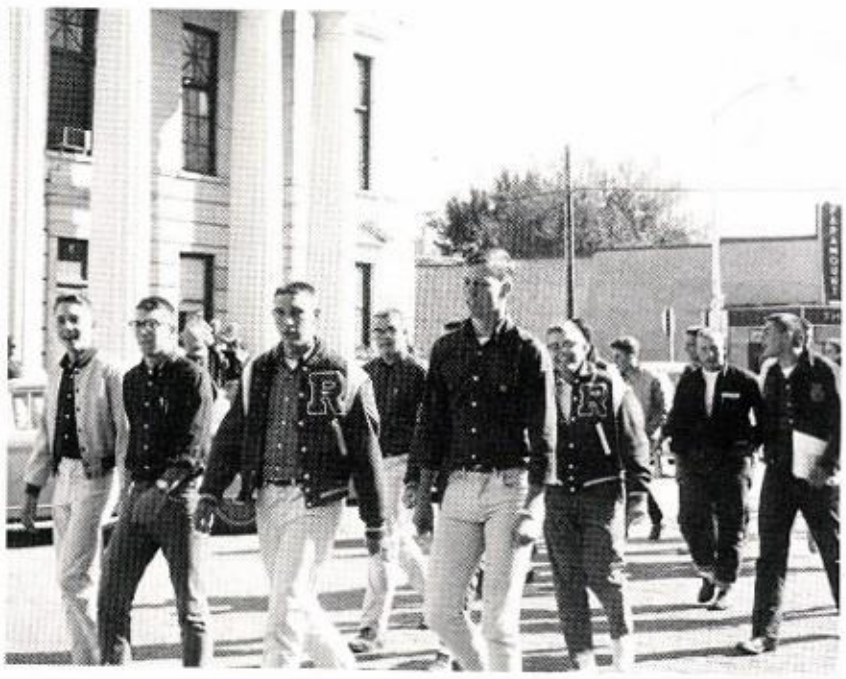
This last year was a busy one for the senior class of '65, and one that they will remember for the rest of their lives.

The first big event of the year was an undefeated football season, the first since 1954. The senior play and the senior chili supper kept them busy selling tickets while the studies were piled on at a steady pace. Another memorable event was the Regional Basketball Tournament in which Rock Port won the second-place trophy. Every minute added more hard work and more fun, but the day that a new student body president was elected was the day that the seniors realized that they would not be around next year. It was then that the end-of-the-year activities for the seniors began. There was the senior trip to Chicago, Baccalaureate, Awards Assembly, Class Day, and the day that they had been waiting for for twelve years, Graduation.

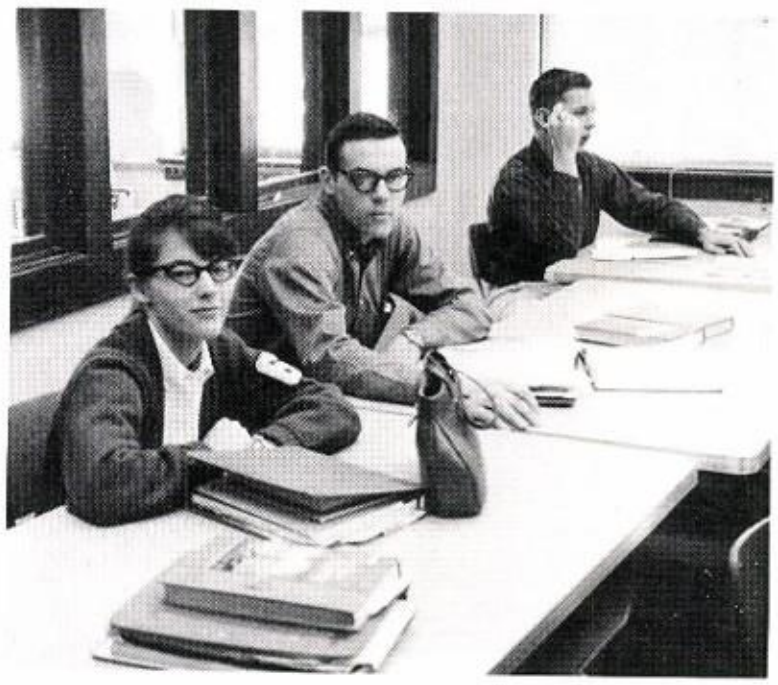
"Hey fellows, that tickles."



"No, no! I just don't believe it."



"Get in step, fellows. 1-2-3-4, 1-2-3-4."



'Smile, I think we're getting our picture taken."

"I'll vote for that."

And then there was "Hillbilly Day."

Freshmen endured medieval tortures by the Sophomores as they entered RPHS this Fall. County Government Day brought about hard work and a lot of fun. Responsibility greeted the Freshmen when they presented "Fractured Fairy Tales," their Freshman Assembly. This year was challenging, but the Freshmen accepted it willingly and with vigor.

Mrs. Howell and her fourth grade students have been very busy this year. They studied about foreign countries, their customs, vocations, and especially the children and their school life. They learned what the schools were like, and the subjects the students took. The home and community life of foreign children was also studied by the class.

Mrs. Corken and Mrs. Prather led their third grades along the path of discovery in English, arithmetic, and social studies this year.

In English the children learned the construction of the letter, the sentence, and good punctuation for these.

Mrs. Prather's class showed their knowledge of social studies by exhibiting tables of well-balanced meals and houses constructed from boxes and other available material.

The children's year in Mrs. Tiemeyer's room was highlighted by birthday parties given by the students. After the traditional birthday song, the children played games and feasted on cupcakes and pop.

The students in Miss Proudfit's room had great fun learning to count by twos, fives, and tens by playing a dart game. They also enjoyed the birthday parties of their fellow students.

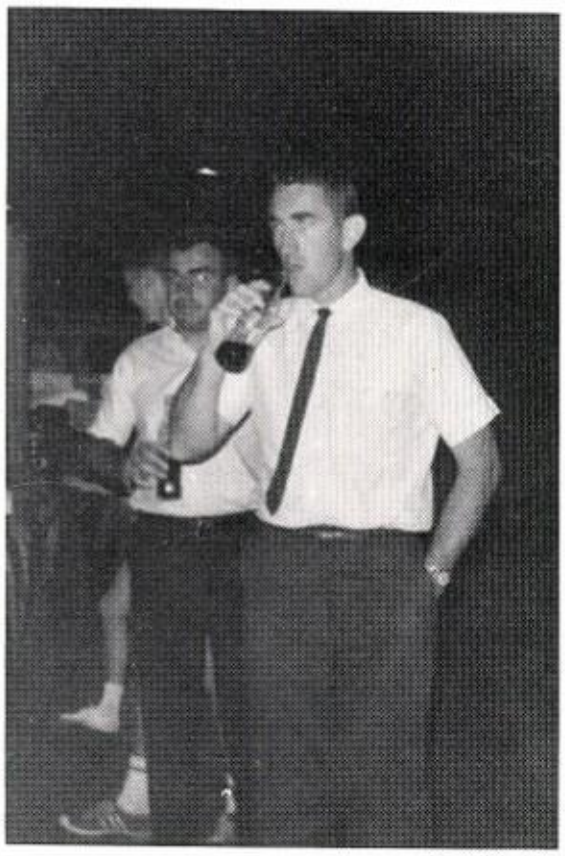
SENIOR TRIP

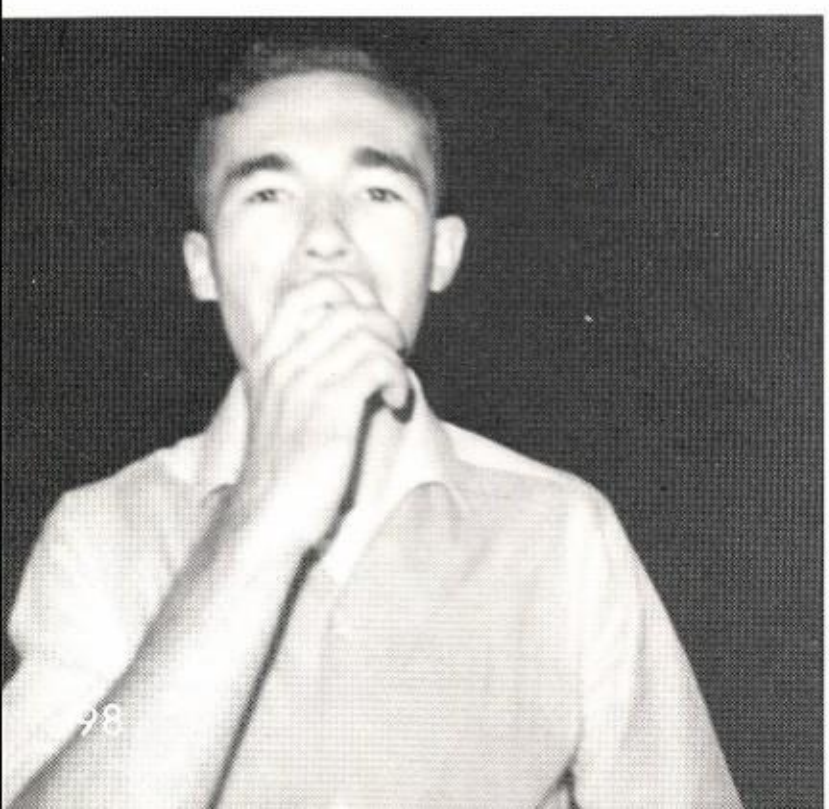
On Friday, May 14, fifty seniors and seven sponsors left the school house for Red Oak, Iowa. At Red Oak, the group boarded a train for Chicago. They rode the train all night and arrived in Chicago at 8:30 a.m. Saturday. All day Saturday they toured Chicago. They visited McCormick Place, Navy Pier, Lincoln Park Zoo, Skid Row, and other points of interest. Saturday night they traveled home on the train. There were fifty tired seniors and seven tired sponsors but they all had had a good time.

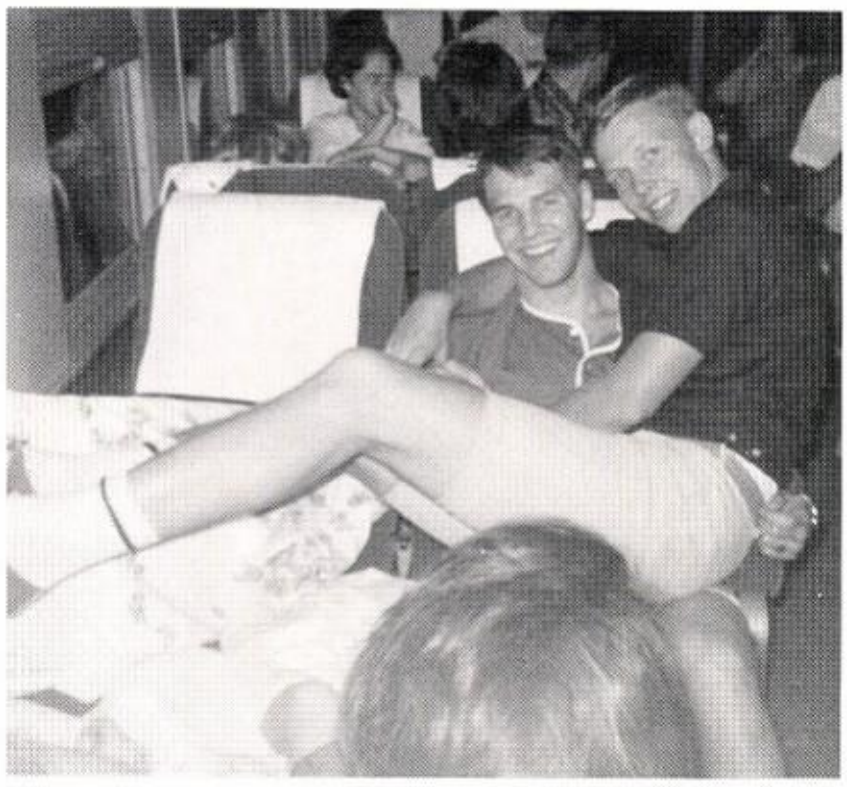


No wonder we didn't have any pop on the way back. The coaches drank it all.

Jim had so much trouble going to sleep that Randy had to rock him.

Richard started eating at the depot and didn't stop throughout the entire trip.





Some new couples turned up on the scene, too.

Jim and Goldie pause for refreshment.

Martha and Tom match wits with Ike in a game of cards.

The seniors wonder how long the sponsors really did stay awake.

Bob woke up just long enough for this picture.
